MEMORANDUM

FROM: CHIEF EXECUTIVE OFFICER

SUBJECT: RETIREMENT FROM COUNCIL'S SERVICE

DATE: 17th April 2009

BACKGROUND

I have been directed to implement Section XIV Sub-section 28 (iii) of the Master Agreement between the Suva City Council and the National Union of Municipal Workers and this will essentially mean that all members of your Union who are of the age of sixty years and over will be retired from Council's service about one (1) month from today, 17th April, 2009.

RETIREMENT

In this context since you are over sixty years of age at this point in time, I am to advise with regret that I have no other recourse but to effectively retire you from Council's service at close of business on Friday, 15th May, 2009.

In this connection, I would like to express the Council's appreciation for all the work you have rendered to the Organization during the tenure of your employment.
